ADDITIONAL NIGHT RESERVATIONS - IMPORTANT INFORMATION

Please notify CID Presents in advance if you book an additional night reservation directly through the Barcelo via an Indirect Additional Night Form in your dashboard message center, if you have not done so already. If the room and bed type associated with your independent reservation is the same as your CID Presents Travel Package, our team will request for you to stay in the same room, pending availability.

Direct reservations with the resort may be associated with one of the Barcelo Resort's specific front desks - Beach, Caribe, Colonial, Tropical, or Barcelo Maya Palace. When you arrive, please visit the front desk associated with your reservation to check in & out. You can reference which desk to check into via your additional night purchase receipt.

On the day your official Travel Package begins, follow the standard CID Presents Resort Check In process. Please check out of your independent reservation at the front desk before coming to our CID Presents check in location. Guests who booked additional nights for dates after their Travel Package, will need to visit the front desk to check out of their CID Travel Package reservation and into their independent reservation on that day.

****Please make sure to bring your passport, immigration card and credit card for these additional check in and check out processes****
